

City of Rowan
Special Meeting Minutes
April 19, 2025

Mayor Lennea Groom called the special meeting to order at 11:30 AM.

Council Members Present: Heather Baumgartner, Dale Hollman, and Virgil Park.

Water Meters – Was contacted by vendor that if we don't purchase the remaining meters before May, the price will have to change due to tariffs. Motion by Hollman to order now, 2nd by Park. Approved.

General Fund CD – Matured on April 14th, Clerk and Mayor had it put into a savings account instead of allowing it to automatically renew. Motion by Hollman to use those funds to cover the purchase of the meters and can discuss the remainder going back into a CD at a later date, 2nd by Park. Approved.

Rout Tree Bill – Much discussion, council members see both sides, he should have provided proof of insurance before starting the work as stipulated in the contract. However, he did do the work and there were no issues. Hollman moves to pay him \$400 and have Schaefer pay him the other \$400, 2nd by Baumgartner. Approved. Future contracts will have a penalty attached.

REC Roof Update – Contractor would like us to have ICAP inspect before giving them their estimate, there's quite a lot of damage, possibly from the derecho.

Motion by Hollman to adjourn, 2nd by Baumgartner.

Adjourned at 12:15 PM.

Respectfully submitted,
Aimee J Frohling - City Clerk of Rowan
